REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: In the examiner's opinion, the declaration and exhibits filed by applicant(s) on 11/08/2007 show that the claimed distance between the centers of any couple of adjacent microstructures is not inherently disclosed by the Sumitomo document. Furthermore, in the examiner's opinion, it would not have been obvious to use the same claimed distance in Sumitomo's device absent applicant's own teachings.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Omar Rojas whose telephone number is (571) 272-2357. The examiner can normally be reached on Monday-Friday (9:00PM-5:00PM).
